7 a.m. to 2 p.m.

## PRACTICE FOCUS

Emkey Arthritis & Osteoporosis Clinic is an independent, family-owned rheumatology practice in Wyomissing. Dr. Ron Emkey, Dr. Greg Emkey, Dr. Devy Setyono and Valerie Galante, CRNP, work together to provide care for patients with all rheumatologic conditions. This includes rheumatoid arthritis, osteoarthritis, lupus, vasculitis, psoriatic arthritis, Lyme arthritis, fibromyalgia and other autoimmune inflammatory diseases. We have a special interest in evaluating and treating osteoporosis and other metabolic bone diseases. Our clinic has an infusion center, x-ray and bone density (DEXA) scan services, as well as vertebral fracture analyses. We have musculoskeletal ultrasound for diagnostic and image-guided injection uses. There is an active clinical research center with many ongoing trials available for the patients of our community.

## REFERRALS

Routine referrals may be placed in EPIC. Non-EPIC providers may refer patients by calling our office at 610-374-8133 or faxing our office at 610-375-1206. Please send all pertinent records at the time of the referral, including recent progress notes, pathology and lab reports. For all urgent/emergent cases, please call our office at 610-374-8133.
