PRACTICE FOCUS

Integrated Medical Group, PC - Leif Christiansen, DO, is an internal medicine practice that delivers primary care to patients age 16 and older. As an internal medicine practice, we care for patients with multiple chronic conditions. We coordinate patients' medical care and provide guidance regarding their individual appropriate medical treatment. We strive to provide high quality, comprehensive healthcare and have received Patient-Centered Medical Home recognition. Everyone in the practice works as a team member to provide compassionate, affordable and quality healthcare.
