### OFFICE HOURS

Monday to Thursday, 8 a.m. to 6 p.m.

### PRACTICE FOCUS

Interventional Pain Management - Tower Health Medical Group offers a variety of non-invasive approaches to treat a variety of pain syndromes including acute and chronic lower back and neck pain, knee pain, hip pain, neuropathic, chronic pain from traumatic injuries, work-related injuries, complex regional pain syndrome, and more. We offer new, cutting-edge therapies to help patients manage their pain better than most medications, including spinal cord stimulation, radiofrequency ablation, and other minimally invasive spinal procedures.

### REFERRALS

Routine referrals may be placed in EPIC. Non-EPIC providers may refer patients by calling our office at 484-973-6045 or faxing our office at 484-961-8864. Please send all pertinent records at the time of the referral, including recent progress notes and image reports.

Manish Shah, MD
