PRACTICE FOCUS

Although we use the latest medical technology at Nabil S. Muallem, MD, PC, our approach is traditional. We do not make house calls, but we try our best to make patients feel at home in our office. The most special thing about our care is that we care. We offer prenatal care, labor and delivery, postpartum care and gynecologic care that meets the needs of females from infancy through post-menopause. Our services include:

- Pelvic exams
- Adolescent care
- Pap smear
- Contraception counseling
- PMS treatment
- Hormone balance maintenance
- Breast exam and cancer screening
- Pelvic infection treatment
- STD treatment
- Infertility evaluation/treatment
- Urinary incontinence evaluation/treatment
- Tension-free vaginal tape
- Colposcopy
- Cryotherapy
- Minor office surgery
- Sterilization
- Diagnostic and operative laparoscopy
- NovaSure endometrial ablation
- Laser surgery
- Micro surgery
- Major gynecologic surgery

REFERRALS

Routine referrals may be placed in EPIC. Non-EPIC providers may refer patients by calling our office at 610-373-3738 or faxing to 610-373-4938. Please send all pertinent records at the time of referral, including recent progress notes, pathology and lab reports. For all urgent/emergent cases, please call our office at 610-373-3738.
