PRACTICE FOCUS

Neurosurgical Care, LLC, was established in 2008 by Dr. Sagi Kuznits, a board-certified neurosurgeon who specializes in cranial and spinal surgeries to treat neoplastic, degenerative, infectious and trauma-related conditions. Dr. Kuznits performs complex revision surgery for cervical, thoracic, lumbar and sacroiliac conditions, and employs minimally invasive approaches when appropriate. He performs CyberKnife® radiosurgery and image-guided, frameless stereotactic surgery to treat benign and malignant brain tumors, and neuro-modulation procedures to treat neuropathic pain. Dr. Kuznits and his team at Neurosurgical Care, LLC, also provide a fall prevention and balance program, in addition to an outpatient concussion management program.

REFERRALS

Referrals or consults are welcome from any provider. Routine referrals may be placed in EPIC. Non-EPIC providers may refer patients by calling our office at 610-495-3620 or faxing to 610-495-3623. Please send all pertinent records at the time of referral. For all urgent/emergent cases, please call our office at 610-495-3620.
