Steven Siepsler, MD, FACS

## PRACTICE FOCUS

Siepsler Laser Eyecare provides a full spectrum of ophthalmic services to provide customized vision correction to every patient. Our experienced team, continually trained to ensure the most advanced skills, includes Michele Pendrak Bush, OD, who specializes in the treatment of dry eye and directs our Dry Eye Center of Excellence. Through diagnostic and vision technologies, we offer comprehensive treatment for:

- Nearsightedness
- Farsightedness
- Astigmatism
- Presbyopia (decreased reading vision)
- Cataracts
- Glaucoma
- Floaters
- Anterior Segment Surgery

## ABOUT OUR PHYSICIAN

Dr. Siepsler is an ophthalmologist, inventor, speaker, pilot, author, sportsman and family man. He is the inventor of the "Siepsler Sliding Knot," which has improved the visual performance and cosmesis for thousands of patients with iris defects and pupillary anomalies. He is an invited lecturer for courses on complex ocular surgery, in addition to informative local talks on a multitude of ocular topics. Assisting colleagues in the care of their patients with ocular problems is foremost in Siepsler Laser Eyecare's mission. It is important to Dr. Siepsler to be immediately available, 24/7, for consultation. If you have an urgent need, call 888-859-2020 and ask to "talk to the doctor" or text Dr. Siepsler at 215-990-1000.

## REFERRALS

Providers may refer patients by calling our office at 888-859-2020. Please send all pertinent records and studies at the time of the referral. Please call for referral forms.
