ABOUT OUR PHYSICIAN

Dr. Paul C. LaFata is a native of Berks County. He has achieved and maintains the highest level of board certification granted by the American Board of Foot and Ankle Surgery in Foot Surgery, Reconstructive Rearfoot and Ankle Surgery. He has completed four years of extensive surgical training at the former Community Medical Center, a Level 2 trauma hospital in Scranton, PA.

Paul C. LaFata, DPM

His training includes conservative and surgical management of foot, ankle and lower extremity problems in children and adults. In 2004, he was awarded a fellowship by the American College of Foot and Ankle Surgeons in management and correction of limb deformity at the Ilizarov Scientific Center in Kurgan, Russia.

Dr. LaFata treats both children and adults with a wide range of conditions. He has a special interest in evaluation and treatment of previously failed foot and ankle surgery.
