### Speaker:

#### Lindsay S. Rogers, MD

Attending Cardiologist, Division of Cardiology  
Associate Director, Pediatric Cardiology Fellowship  
Director of Education, Echocardiography Laboratory  
Children's Hospital of Philadelphia  
Associate Professor of Pediatrics  
Perelman School of Medicine at the University of Pennsylvania

**Dr. Rogers** completed medical school at the State University of New York at Buffalo, in NY. She received training and completed her internship and pediatric residency at the Pediatrics-Hasbro Children's Hospital/Brown University in Providence, RI. She finished her fellowship in Pediatric Cardiology and Non-Invasive Imaging and Cardiac Morphology at the Children's Hospital of Philadelphia. Dr. Rogers is board certified in Pediatric Cardiology and Pediatrics. She has received awards including the Paul Weinberg Pediatric Cardiology Fellowship Teaching Award and the Pediatric Residency Faculty Honor Roll, given to a faculty member for excellence in resident teaching at the Children's Hospital of Philadelphia. She has published in peer reviewed journals, chapters in books and has presented at national society meetings. She holds professional memberships, both national and international, from the American Society of Echocardiography, American Academy of Pediatrics, American Pediatric Association, American College of Cardiology and the International Society for Nomenclature of Pediatric and Congenital Heart Disease.

### Learning Objectives:

1. Discuss the theory and reasoning behind the segmental approach to naming congenital heart disease
2. Identify each cardiac segment by its anatomic characteristics
3. Assign situs to each cardiac segment in the normal and abnormal heart

**TARGET AUDIENCE:** Physicians, Pediatricians, Family and General Practitioners, Nurse practitioners, Nursing personnel, Fellows, Residents and Medical Students.

**ACCREDITATION STATEMENT:** Tower Health is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

**CREDIT DESIGNATION:** Tower Health designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**SERIES DISCLOSURES:** The course director and members of the planning committee do not have any relevant financial relationships with any ineligible companies to disclose regarding today's presentation. Faculty and all others who have ability to control the content of continuing education activities sponsored by Tower Health are expected to disclose to Tower Health all of their financial relationships with ineligible companies. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

### NURSING CONTACT HOURS STATEMENT:

This program awards 1 contact hour. Tower Health is approved as a provider of nursing continuing professional development by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

**CLAIMING CME CREDITS:** Attendees **MUST** sign in with the six-digit activity code provided at the session using eeds at the conference start time and complete the online evaluation within 30 days at <https://towerhealth.eeds.com>.
